

**Internal comms - Email to all council staff – copy and paste this making the relevant amends and send!**

Hello

You may be aware that we provide a community lottery as an online fundraising tool for local good causes. Many good causes in the community have signed up and are successfully raising vital funds for their cause but we know there are many out there who may not have heard of the **XXXX** Lottery.

As council employees we have a civic duty to spread the word and we are asking for your help! Maybe you have children in a School or club? Perhaps you are part of a club or association yourself? Or do you know a friend or relative that has been supported by a local good cause? If so please consider telling them about the **XXXX** lottery to help them in their fundraising quest!

It is quick and easy and FREE for local good causes to sign up to the **XXXX** Lottery. They can sign you here: *{insert-URL to cause registration page from your lottery website}*

The Lottery is a win-win for both supporters and the local community. **XX%** from every £1 ticket sale goes to support the local community and supporters are in with a chance of winning up to £25,000 every week.

So far, the local lottery has raised **XXX** for the community since it started. Now more than ever good causes need fundraising solutions that they can use in this quite surreal situation we are living in. They cannot run their usual events and face-to-face interactions as normal so online solutions such as the **XXXX** Lottery are really helping to plug the gap of support.

We have attached a leaflet for you to pass on, or you can forward on this email if you prefer.
